THE HON'BLE SRI JUSTICE V.V.S.RAO

WRIT PETITION No.15862 of 2007

ORDER:

The petitioners are residents of Regadachelika Village, Kodavaluru Mandal, Nellore District. They are statedly landless and poor coolies eligible for allotment of house sites/dwelling houses. Said village, however, was identified as *adarsha gramam* under Integrated Novel Development In Rural And Model Municipal Areas (INDIRAMMA) scheme. The respondents prepared a list of beneficiaries eligible for allotment of dwelling houses under said scheme. It is the case of the petitioners that though they are eligible, their names are not included and the names of those persons who are not eligible are included in said list. Then gave complaint/representation to second respondent on 10.07.2007 and to third respondent on 13.07.2007. As there is no response, alleging that there is likelihood of finalization of the list of beneficiaries, they filed instant writ petition, *inter alia*, seeking a direction to the respondents to include their (petitioners') names in said list.

At the stage of admission itself, the learned Assistant Government Pleader for Revenue (Assignment), after getting instructions, submits that the complaint/representation given by the petitioners is being enquired into by fourth respondent. He also submits that if any of the persons, whose names are included in the list of beneficiaries, are found to be ineligible, necessary recommendation will be made for removal of their names and if the petitioners are found to be eligible, their names will be considered for inclusion in said list. In view of this, the petitioners do not press the writ petition further.

The writ petition, with the above observations, is accordingly disposed of recording the submissions of the learned Assistant Government Pleader. No costs.
